

# Casey's Crafts – Butterfly Bookmark

This bookmark doesn't take long to make, and on top of that, it's a butterfly!

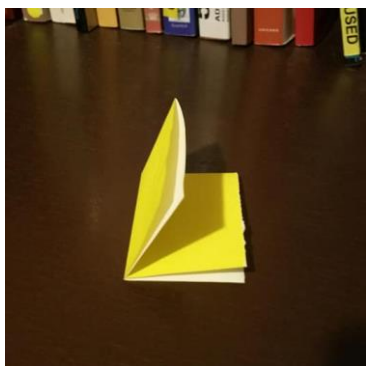

*Step 1. Start with a square piece of paper. Fold in three.*

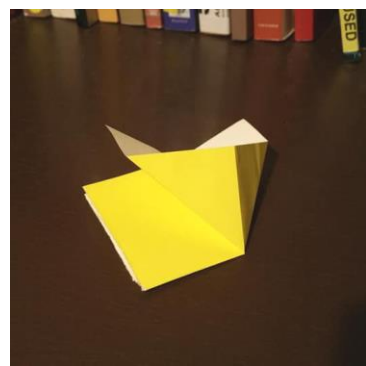

*Step 2: Cut or tear one section from the paper. Put it aside.*

*Step 3: Fold the larger part in half.*

*Step 4: Fold in half again.*

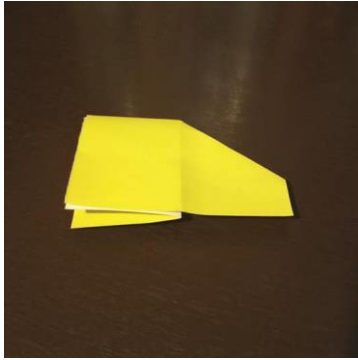

*Step 5: Rotate. Open one corner and push it down, turning it into a triangle.*

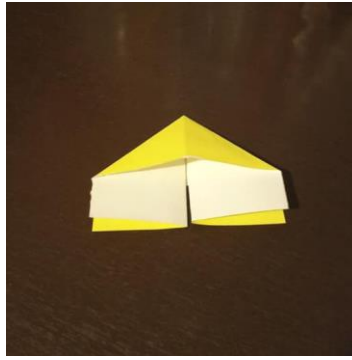

*Step 6: Rotate. This is how it should look after step 5.*

**Sigma Tau Delta – Rho Xi**

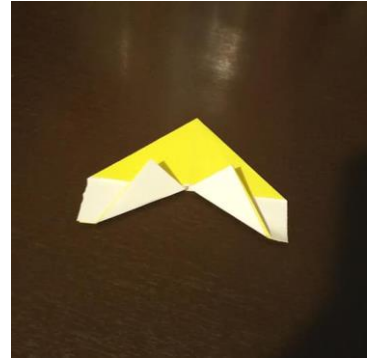

**By Casey J. Marshall**

*Step 7: Turn it over to the other side.*

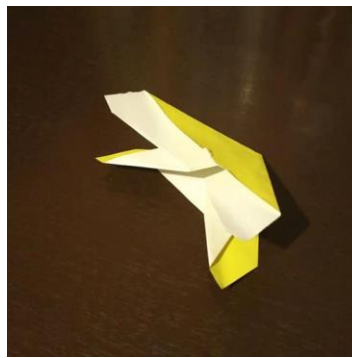

*Step 8: Repeat step 5 with the other side.*

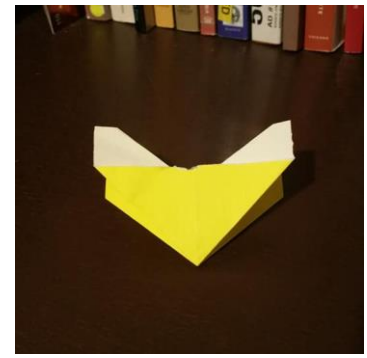

*Step 9: Fold up the middle flaps like the white parts shown.*

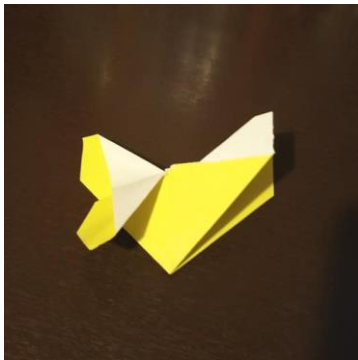

*Step 10: Invert the left flap by re-folding it between the two sides.*

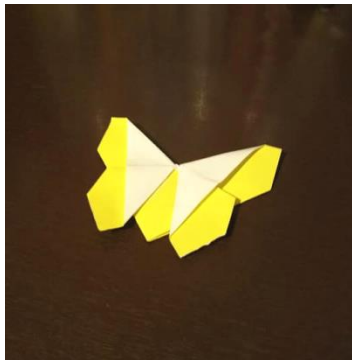

*Step 11: Repeat with the right side.*

*Step 12: Rotate.*

*Step 13: Fold down the top left side as far as it will go, making the bottom left wing.*

*Step 14: Repeat with the top right side.*

*If these instructions worked out, you've got a butterfly bookmark!*
