

# Casey's Crafts – Heart Bookmark

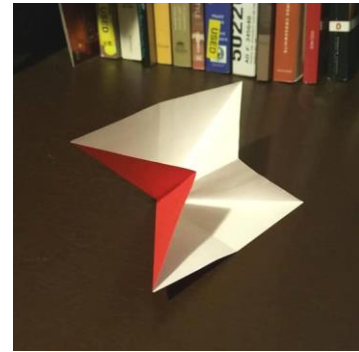

This heart bookmark is perfect for reminding you which part of the story you love most.

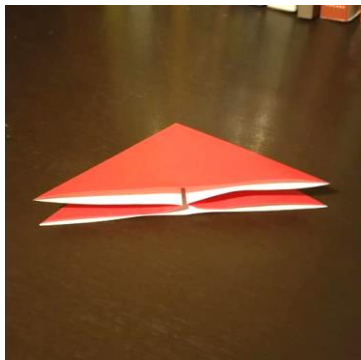

*Step 1. Start with a square piece of paper. Fold diagonally both ways.*

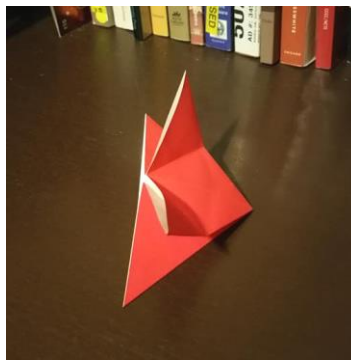

*Step 2: Open, and fold diagonally horizontally and vertically.*

*Step 3: Open, and then collapse in both sides in like so.*

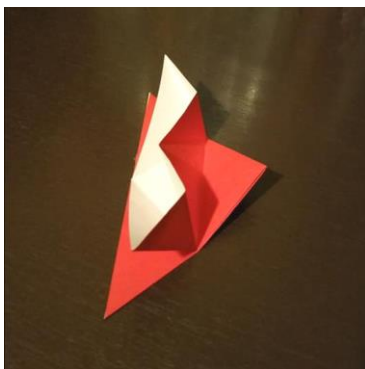

*This is how it should look after step 3 is finished.*

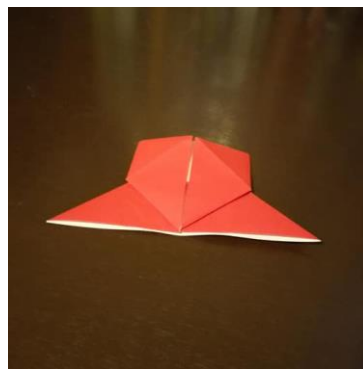

*Step 4: Rotate. Fold both front flaps toward the top.*

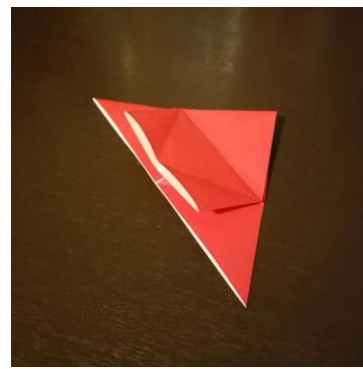

*Step 5: Fold down the top toward the bottom so it fits in the outline.*

*Step 6: Open up the bottom of the front flap and push up.*

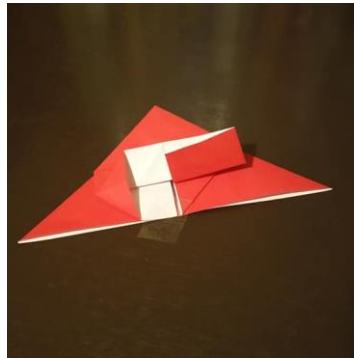

*Step 7: Rotate. This is how it should look after step 6.*

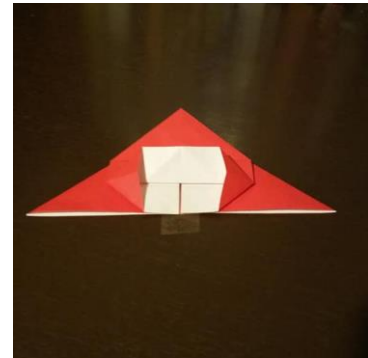

*Step 8: Fold the top square part down toward the bottom.*

*Step 9: Fold the bottom part horizontally into the middle fold.*

*Step 10: Open the left side and then push in, making a triangular fold.*

*Step 11: Repeat with the right side.*

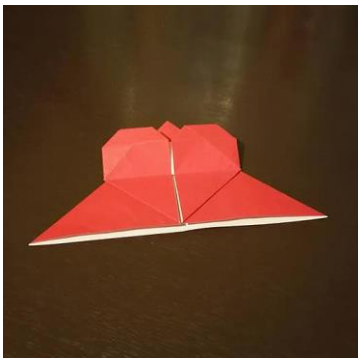

*Step 12: Rotate. Fold in the tiny inside corners to make the middle of the heart.*

*Step 13: Fold down the top points.*

*Step 14: Fold the heart the other way as far as it goes.*

*If these instructions worked, you've got an origami bookmark heart.*
