

Casey's Crafts – Pocket Bookmark

This easy-to-make origami bookmark is perfect for long readings and research projects.

Step 1. Begin with a mountain fold.

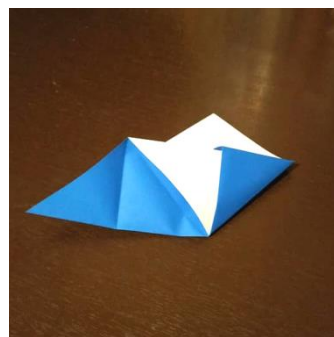

Step 2: Fold up both sides toward the top, then unfold.

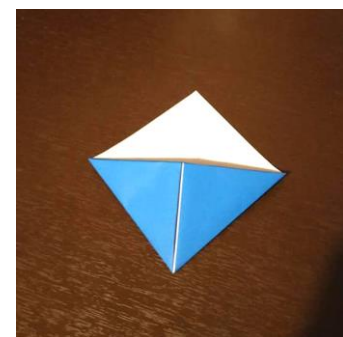

Step 3: Fold the closest flap of top corner toward the bottom. It should fit in the outline from the last fold.

Step 4: Fold in both sides toward the center, and then unfold.

Step 5: Tuck each side into the middle pocket.
